

8TH GRADE PARTY PHOTOS

The 8th grade party is fast approaching!! The party committee has worked very hard to ensure the party will be a great success and an evening your student will always treasure. In order to help preserve the memories, we have hired professional photographers David and Sheila Hood and their staff at DSImageworks to help us capture the evening in photographs. DSImageworks will be at the party on May 16 taking individual, group, candid and posed photos.

Instead of selling these photographs individually, we have arranged to have ALL photos taken at the party stored on one CD. The CDs are available for purchase at the bargain price of \$20 each. Once you pay for and receive your CD, you are free to copy or print as many of the photos as you would like—they are yours to keep! Also, there is no limit on the number of times your student may appear in the photos! Tell your children to grab their MMS buddies, head to the flashing bulbs, and pose to their hearts' content!!

ORDER YOUR PHOTO CD NOW to ensure receipt of your copy. This is NOT the same as the 8th grade DVD, which includes baby, childhood, and current photos of participating students. This Photo CD will consist 100% of the party itself! This is a special opportunity and should not be missed. Photo CDs will be delivered during Activity Period the last week of school.

8TH GRADE PARTY PHOTO CD ORDER FORM

Complete ALL blanks
